

EXPANDED ELECTRONIC SUPERVISION SERVICES FOR NON-VIOLENT OFFENDERS

Effective July 1, 2006 Hayden & Associates, long-time provider of electronic monitoring and consultation services, has merged with LCA to provide the most all-inclusive private, community-based services available in California to attorneys, courts and the criminal justice system.

Operating together as LCA, the company brings a combined 30 years of experience providing state-of-art electronic technology and services:

- Individualized client assessment and consultation
- Intensive case management
- Electronic Monitoring, GPS, Voice verification
- 24-hour alcohol testing with SCRAM (Secure Continuous Remote Alcohol Monitor)
- Comprehensive substance abuse testing
- Treatment placement referrals

Too many non-violent offenders are serving time in overcrowded and expensive jails at a huge cost to the taxpayer. Now, more than ever, effective alternative sentencing enhances public safety, holds offenders accountable, and is a viable, cost effective solution to an overburdened criminal justice system. We specialize in “out-of county offenders”, DUI cases and other special needs circumstances. Call our experienced staff at 800-925-8043. We welcome any questions or comments.
